Advising Services

Pick My Brain

Anything from Tax to Payroll

We are now offering an hour long consultation for you to ask as many questions as you can.

In this hour we can talk about taxes or bookkeeping or business in general. Linda has 25 years of experience taxes, bookkeeping and running a business.

Fee for 1 hour session

\$150

Tax & Accounting Services

A \$150 deposit is required to book a tax appointment. That fee goes towards your final bill. Fees are nonrefundable.

All prices listed here are *estimates* and are subject to change depending on each client's tax situation. Pricing will be discussed with the client at their appointment.

Auditing Services

Internal *Auditing*

Internal audits evaluate a company's internal controls, including its corporate governance and accounting processes. These audits **ensure compliance with laws and regulations** and help to maintain accurate and timely financial reporting and data collection.

Price

determined on case by case basis

Business *valuation*

Business valuation will help you determine the **economic value** of your company. Typically, a business valuation happens when an owner is looking to sell all or a part of their business, or merge with another company.

Price

determined on case by case basis

Business *valuation audit*

Estimation of various **assets** and **liabilities**. It is the duty of the Auditor to confirm that assets and liabilities are appearing in the balance sheet exhibiting their **proper and correct value**.
